

Agreement on the license transfer

You would like to transfer one of the legally purchased software (file based) licenses to the new (key based) license system. By submitting, you accept the terms of this agreement, and we will provide you with a new key-based license or hardware dongle protected license of the software.

Licensee: _____

Contact Person: _____

Address: _____

Postal Code: _____

Country: _____

Software Name: _____

Version: _____

Old Serial Number: _____

New Serial Number / License Key: _____

The Licensee agrees that, within fourteen (14) days of receiving this Agreement, it shall cease all use of the software under the previous license and permanently remove the software and associated license file from all systems under its control. All copies of the previous license file, including backups and archived copies, shall be permanently deleted or destroyed.

During the transition period, the Licensee will receive a key-based license through the Hybrid Software Data Center to activate the software. Any hardware dongle associated with the previous license must be returned to a Hybrid Software office as instructed. Unless otherwise agreed in writing, the Licensee shall bear all costs related to transferring to the new license, including returning the dongle and covering its shipping

Failure to comply with the obligations set forth in this Agreement may constitute a material breach of the applicable license terms and, where applicable, an infringement of copyright or other intellectual property rights. ColorLogic reserves all rights and remedies available under the applicable agreement and applicable law, including the right to take appropriate legal action to prevent or terminate any unauthorized use of the above-mentioned products.
